## ***INVITATION TO TEAMGYM ONLINE JUDGES' COURSES***

Dear TeamGym friends,

The European Gymnastics Technical Committee for TeamGym is pleased to inform you that two online judges' courses on the new TeamGym Code of Points will be held in late February and April/May 2022.

With the current increase in the pandemic and rapid spread of the Omicron variant, running in-person courses means an elevated risk for late cancellations and extra cost due to COVID testing when travelling to/from the host country. The Technical Committee has decided to offer online courses to current judges to retain their brevets as well as new candidates needing a TeamGym brevet in 2022. The plan is to hold in-person courses again in early 2023.

The online courses will be held as follows:

<b>1<sup>st</sup> course</b>	<b>26-27 February Two days of online course</b> <b>19 March</b>	<b>Online exam</b>
<b>2<sup>nd</sup> course</b>	<b>10 April</b> <b>7-8 May</b> <b>28 May</b>	<b>Introduction to new judges (incl. study instructions)</b> <b>Two days of online course</b> <b>Online exam</b>

Taking part in one of the online courses and submitting the compulsory homework assignments (counted towards the exam) are required to take part in the online exam. The second course is recommended for new candidates and will include an extra day to introduce the Code of Points. The extra day is optional for current brevet judges.

All brevet judges of the 2017-2021 cycle that pass the online exam will retain their TeamGym brevet and category level. New judges who pass the online exam will receive the TeamGym brevet category 3. This is the required level to be able to judge at the TeamGym European Championships. A possibility to raise the category level is planned for 12 September in Luxembourg (during the week of the European Championships). Further information will follow in June.

TeamGym brevets achieved will be valid until the end of 2024.

### **Language**

The courses and exams will be held in English. The Code of Points will be available in English, French and German.

### **Physical attendance at the February course**

Part of the TC for TeamGym will be available in Stockholm for the 1<sup>st</sup> course. A limited number of participants are welcome to attend the course in-person to increase the interaction between tutors and participants.
